

EXT. SERRAKIN PLANET - DUSK

A young woman stands at the side of a cliff.

She waits, knowing that her death will mean the end of all.

She watches the sun set.

The moon rises.

She jumps.

EXT. JUNGLE PLANET - DAY

SAMANTHA CARTER works through the underbrush. She looks at a SCANNER in her hand. It beeps quietly. She peers at it a little and then-

SUDDENLY a large ape-like being with razor sharp teeth crashes through the undergrowth. With a ROAR it charges at her. Fangs bared.

Samantha rolls to the side, barely dodging a swipe of the creature's massive hands.

She RUNS through the trees. FALLS and grabs her arm.

The CREATURE looms over her. Its eyes meet hers, only inches from her face.

It pulls back to swing--

--A strange CRY. A high-pitched chirping.

A FIGURE with long, dark-blue feathered wings sweeps up the creature from behind, knocking it over. Winding it.

Another chirp. Another winged figure. The size of a horse.

A bright glow on the ape-like creature's face. It screams, and then falls silent.

Dead.

One of the feathered creatures approaches Samantha. Its eyes glow BLUE...
